## ENGWR 300 + 108

ENGWR 108 will provide support to succeed in ENGWR 300, relate directly to the work you are doing in ENGWR 300, reinforce the basic skills you are learning in ENGWR 300, allow time to review drafts of essays for ENGWR 300, and answer questions from ENGWR 300. You must take the ENGWR 108 that immediately follows your ENGWR 300 with the same instructor.
