

**Pathway for Programs Requiring Statistics or  
Students Using Statistics to Satisfy General Education Requirements**

Some students may be required to take the corequisite support course STAT 10 as part of their STAT 300 placement. Alternatively, these students can take MATH 109 or STAT 100 prior to taking STAT 300 without support.

---

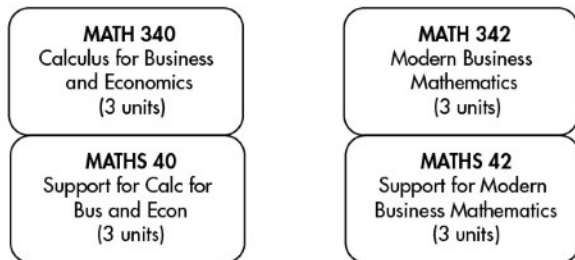

**Pathway for Students Using MATH 300 to Satisfy General Education Requirements**

Some students may be required to take the corequisite support course MATHS 95 as part of their MATH 300 placement. Alternatively, these students can take MATH 109 prior to taking MATH 300 without support.

---

**Pathways for Students Majoring in Business**

Some students may be required to take the corequisite support courses MATHS 40/42 as part of their MATH 340/342 placement. Students that have not successfully completed Algebra II or Integrated Math III in high school will be required to take MATH 120 prior to taking MATH 340/342 (without support).
