

Sacramento City College
Fall 2021 - Summer 2022
Intersegmental General Education Transfer Curriculum (IGETC)
University of California or California State University

Completion of all the requirements in the IGETC will permit a student who transfers from a California Community College to a California State University or University of California campus without the need, after transfer, to take additional lower-division general education courses. All courses must be completed with a "C" grade or better. Students must meet with a counselor to request the IGETC Certification.

NOTE: The IGETC is NOT appropriate for some majors and/or campuses. Please see a counselor as IGETC requirements may change. Fall 2021-2022 IGETC does not have area F added to it at this time.

**** Courses are listed in more than one area but can only be used once to satisfy a requirement.**
