All grades remain on the permanent record and transcript. If approved, your courses will be notated on the transcript that units and grades have been discounted from the grade point average. Academic renewal cannot be reversed. Acceptance of academic renewal is at the discretion of the transfer institution.

Student Checklist for determining eligibility:

You may petition to discount course work taken at Sacramento City College in which you have previously earned substandard grades (D or F). Your units and grades will be discounted from your grade point average if you meet the following standards:

- No more than 30 units of substandard grades may be academically renewed (this includes what you are currently requesting.)
- A minimum of 12 consecutive months has passed since the end of the semester or summer term; and a minimum of 12 units with a grade of C or P or better was earned after the most recent work to be discounted was recorded.
- Current educational objectives have been discussed with Counselor
- Course work to be discounted has not been used to fulfill requirements for a degree, certificate or general education (AA/AS, CSU GE/IGETC certification.)
- The course work that will be discounted is from Sacramento City College.
- Transcript(s) from any college where you have earned units after the grades for which Academic Renewal is being requested is attached.

Student meets the above qualifying conditions and is eligible for academic renewal for the above listed courses.
