Campus-Wide Issue/Concern Form*

**Committee or Individual:** Student Senate

**Date submitted:**

**Issue/Concern:** Water fountains update & maintenance

**Signature of Initiator(s)** \_\_\_\_\_

Provide information, which succinctly but fully discusses the issue/concern (if necessary, add additional pages).

**A. Describe the issue/concern:**

Several water fountains in campus have accumulated mold and filters require replacement. In addition, there is still several outdated water fountains in campus.

**B. What do you recommend or suggest solving this issue/concern?**

Do a deep cleaning in water fountains and replace filters. Also it is necessary to update the existing old water fountains with modern ones that have filters and features that allow to fill water bottles easy.

**C. How will this recommendation support the success of SCC students and benefit the campus community?**

Students are forced to buy bottled water because the existing water fountains can be consider unhealthy. In addition, this health risks impact more low income students that are unable to buy bottled water.
