Committee or Individual:	EITC
Email:	saksd@scc.losrios.edu
Issue/Concern:	Revise EITC Charge
Describe the issue/concern::	<p>The EITC worked to revise the committee charge because the old one included some things over which the committee no longer has purview.</p> <p>Old charge:</p> <p>Coordinates college activities related to educational and information technology policies, funding and resources, planning and implementation. Provides a single point of contact for communicating status and issues related to educational and information technology for the college. The committee also provides input to the district-wide activities performed by various educational and information technology task groups so that college interests are included in the district decision-making process.</p>
What do you recommend or suggest solving this issue/concern? :	<p>Revise charge to the following:</p> <p>The EITC addresses equitable and effective use of educational and information technology at SCC:</p> <ul style="list-style-type: none">-Removing barriers to and advocating for equitable and inclusive student access and successful use of technology-Collaborating with related campus and district committees such as student equity, digital inclusion, LMS coordinators, and District Ed Tech-Advocating for the effective design of, communication about, and use of all the available educational and information technology for SCC students and those who serve them

How will this recommendation support the success of SCC students and benefit the campus community?:

Committee's new charge will better align with our work and address equitable and effective use of educational and information technology for our SCC students.
