<b>Issue/Concern:</b>	Revision of Charge to Incorporate Equity Language
<b>Describe the issue/concern::</b>	All standing committees were asked by Executive Council to incorporate equity language into our charges during the 21-22 FY.
<b>What do you recommend or suggest solving this issue/concern? :</b>	<p>The Committee has woven equity and inclusivity into its charge:</p> <p>The Campus Development Committee reviews short and long range plans equitably and inclusively for general campus development and modifications, as well as for specific facilities. Reviews requests for Facility Resources including space utilization, equipment, communications, and other related topics. Makes prioritized recommendations on the above Facility Resource requests to the Budget Committee for integration with budget and IT requests developed through the unit planning process.</p>
<b>How will this recommendation support the success of SCC students and benefit the campus community?:</b>	Supports campus community be openly centering decision-making processes with an equity mindset moving forward.
