

**President's Response
Campus Issue 18-19-10**

Committee or Individual: M. Kekahu on behalf of students

Date submitted: 11/18/2019

Issue/Concern: President's Honors Lists

Summary of Issue:

Multiple students have expressed their concern that the President's Highest Honors and Honors lists do not represent part-time students. The current qualifications for both lists include only those students who complete 12 or more units per semester at SCC, 9 of which must be graded units. At this time, the honors lists do not include part-time students who have a GPA of 3.5 or higher per semester. The recommendation is to revise the existing qualifications or implementing new standards to include part-time students in the President's Highest Honors and Honors lists.
