(Source: [SCC Catalog](#))

COLLEGE TRANSCRIPTS OVERSEAS: SCC does not evaluate foreign transcripts nor is credit granted for foreign coursework. Students with a degree (AA/AS, BA/BS, or higher) from a college outside the United States must have their foreign transcript evaluated by a member of the National Association of Credential Evaluation Services (NACES) or Association of International Credential Evaluators, Inc. (AICE); these are independent agencies that charge a fee. Request a "course by course" or "subject by subject" evaluation.

HEALTH INSURANCE: All international students are required to have health insurance that covers them while living/studying in the U.S. F-1 international student can purchase health insurance through Los Rios Community College District (*recommended provider*) available at: <https://jcbins.com/> OR show proof of comparable plan (coverage details and dates). Health care is extremely expensive and there are *no free* medical facilities. Before you leave your country, please see a doctor to get a medical checkup. A "hold" will be placed in your record if you fail to show proof of health insurance. *"Travel insurance" plans are not acceptable.*

HOUSING INFORMATION: It is the student's responsibility to find housing in the U.S.. SCC/ISC does not provide housing or housing family for F-1 international students. However, we may have information about privately owned apartments/businesses that might be helpful. Contact ISC if needed.

TRANSPORTATION: SCC has a light rail station and a bus stop on campus. Universal Transit Pass (UTP) allows eligible students to use Regional Transit bus and light rail services at a lower price. Enrolled students can pay the [UTP fee](#) online. Bus and light rail route information is available at www.sacrt.com, 321-BUSS (2877), or TDD 483-HEAR (4327). You can commute to SCC from most areas of Sacramento. Take advantage of this great opportunity to help reduce air pollution and save on gas money, campus parking fees, and wear and tear on your car.

APPLICATION REVIEW PROCESS: Once all required documents have been reviewed, ISC will contact you with the final decision. The application review takes up to three weeks. If you are currently in F-1 visa status and transferring to SCC from an institution within the U.S., do not request your SEVIS record to be released to SCC until you receive an admission letter from our office.

HELPFUL TIPS: It is advisable to submit a complete packet a month before the deadline to allow enough time to schedule an F-1 visa interview. Once admitted, to ensure the availability of the 12 units required to maintain status, you can arrange an appointment by phone, e-mail, or video conference, while overseas, with an academic counselor for class suggestions. This will allow you to register for classes prior to arriving in the United States. *Contact ISC for details (916) 558-2486.*
